Dear Teacher Harold Camping and Staff of Family Radio,

Since Jesus is the truth, followers of Jesus speak as the oracles of God, speaking truth to one another as those who are filled with the Spirit of truth. Observe the following:

1. The rapture did not take place in 1994
2. A great earthquake did not take place throughout the world on May 21, 2011. All graves were not opened up on May 21, 2011. No saint was raptured on May 21, 2011. No bones of the wicked dead were spewed out of the graves to shame them on May 21, 2011. No wicked people by the millions were killed by God in judgment since May 21, 2011.
3. The end of the world is not going to happen on October 21, 2011.
4. The church age did not end in 1988, as you have taught.

All these things prove beyond a shadow of doubt that Family Radio has not been broadcasting truth, has not spoken as the oracles of God, and has not interpreted the Scriptures accurately. You have only brought shame to the name of Christ. What is going to be your defense on October 22, 2011?

Sincerely,

P. G. Mathew
